

# Qualitain<sup>®</sup>

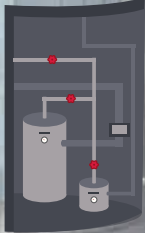

## INDUSTRIAL STRENGTH PROTECTIVE COATINGS *FOR THE MOST DEMANDING APPLICATIONS*

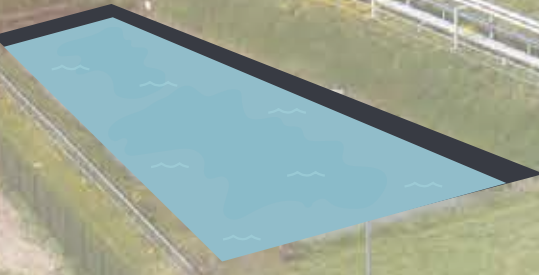

APT – an ISO 9001 & 14001  
certified company

**BOILER ROOM**

**FARM TANK**

**CONTAINMENT BASIN/TANK**

Qualitain Systems can be used in such areas as:

- Tanks
- Containment Basins
- Boiler Rooms
- Farm/Potable Water Tanks

**FARM TANK**

QUALIPUR 631- 25-30 MIL  
QUALIPUR 692- 5-10 MIL

**BOILER ROOM**

QUALIPUR 152- 4 MIL  
QUALIPUR 252- 25 MIL  
QUALIPUR 372- 15 MIL

**CONTAINMENT BASIN**

QUALIPUR 631- 25-30 MIL  
QUALIPUR 522- 10 MIL

**INSIDE TANK**

QUALIPUR 631- 10 MIL  
QUALIPUR 522- 10 MIL

**OUTSIDE TANK**

QUALIPUR 631- 20 MIL

## Qualipur 152

- Low VOC
- No Flammability concern
- Solvent Free
- Quick cure time
- Primer on-grade
- Easy application
- Optimal penetration
- Outstanding bond strength

## Qualipur 252

- Low VOC
- Low/no odor
- Bridges dynamically moving cracks
- Quick cure time
- Excellent elongation and tensile strength
- Flexible in low temperature ranges

## Qualipur 372

- High abrasion and cut/tear resistant
- Able to cure in low temperature ranges
- Wide range of system options and textures
- Versatile range of potential substrates
- Variety of color options
- Low VOC

## Qualipur 522

- Skydrol resistant
- Bleach resistant
- Diesel fuel resistant
- Jet fuel resistant
- Low VOC
- Easy application
- UV stable
- Can be roll or spray applied

## Qualipur 631

- One component
- Chemical/abrasion resistant
- Moisture intensive during cure
- Low odor
- Aliphatic
- Excellent adhesion to various substrates
- Some conductivity to prevent static build up

## Qualipur 692

- Excellent antimicrobial resistance
- Skydrol resistant
- Bleach resistant
- Diesel fuel resistant
- Jet fuel resistant
- Low VOC
- Easy application
- UV stable
- Can be roll or spray applied

### APT AMERICAS

World Headquarters  
109 Conica Lane,  
PO Box 160  
Harmony, PA 16037 USA  
Tel. (724) 452-1330  
Fax. (724) 452-1703

### APT LATIN AMERICA

6810 North State Rd 7  
Coconut Creek, FL 33073
